## > Whiteboard Courses <

Having bought interactive whiteboards for your school, you need to be confident that your staff are trained to get the most from your investment.

Our accredited trainers run a variety of courses to suit all levels of expertise and experience

While the board itself is simple and easy to use, training on the use of specialist tools and best practice with the board will ensure that your staff are motivated and keen to use the board to support teaching and learning in every lesson.

Whole day, half day or twilight courses can be accommodated.

## > FOUNDATION COURSES <

- > Introduces your staff to the basics behind using an interactive whiteboard.
- > Setting up the whiteboard and calibrating it.
- > Using the basic features of the whiteboard software.
- > Ideas for good practice in the classroom.

## > ADVANCED COURSES <

- > Suitable for teachers who already have a grasp of the basics of using an interactive whiteboard.
- > Use more advanced features of the board to bring lessons to life.

Exact course content will depend on the type of whiteboard you have purchased (Promethean, Smart etc)

Custom courses can also be negotiated. For more information, email us:

[info@think-bank.com](mailto:info@think-bank.com)

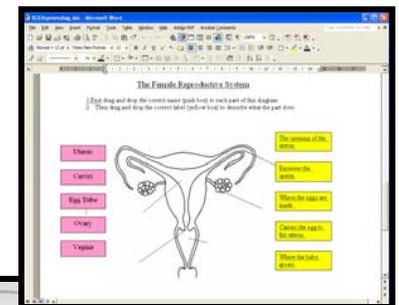

## > Subject Specific Uses <

We can also provide training in using the interactive whiteboard in a specific subject area, such as:

- > Literacy
- > Numeracy
- > Science

Other subjects can be covered on request. Contact us on;
